craniosacral therapy ii beyond the dura marks yet another step in understanding the craniosacral system and its significance in the  
clinic building on concepts set forth in his pioneering work craniosacral therapy dr upledger further explores the anatomical and

physiological bases and clinical implications of several important aspects of the craniosacral system the first chapter looks at the cranial nerves and how they can be effectively influenced by craniosacral therapy in the second chapter the author through words and pictures dissects the fascial anatomy of the neck from the perspective of the craniosacral system chapter 3 scrutinizes the temporomandibular joint and tmj syndrome the final chapter focuses on those concepts and discoveries which have unfolded in dr upledger s clinical practice since the publication of his first book

what humankind consider to be truths does not enter our world naked rather it was and is expressed in symbols images archetypes and role models as an ingredient of emotions of religious cultic or collective orders art and artists in particular played an important role in the transformation of our world to be tainted by the stigma of cult and idolatry or to enable life and works of art through the incarnation of ideas and visions such contradictions continue to this day in the dispute over the power of images their triumph as a mark of sovereignty goes hand in hand with the trauma they trigger in both individuals and communities they evoke the horror and the sacred and banish both at the same time they are attributed a cultic aura and likewise suspected of being a false fetish in a world of globally traded commodities from antiquity to modernity these facets and tensions are critically explored in judaism christianity and islam as well as in philosophical discourses and secular ways of life our cultural history refers the viewer to the democratic or authoritarian present images of hope and resurrection the fall into hell of war and the abys of the holocaust are significant for human memory in art and media today and they require our reflection look inside images of the authentic and betrayal through images art image controversy and cult prohibition in cultures since antiquity weighing souls the last judgement and the resurrection jewish christian profane and critical arguments hopes and the plunge into hell in modernity crises catastrophes and the holocaust in the commemorative cultures of modernity

ancient star readers are amazed by a conjunction of wandering and royal stars and connect the mysterious event with a long ago prophesy by an exalted member of their order their quest to uncover this mystery becomes a dangerous marathon into a slave empire deceit surrounds them and a frightening entity haunts them the journey carries the star readers through storms battles crossroads and palaces before finally leading them to a one room mud hut in an insignificant village darker questions then confront them meres a young man of noble birth and jenu a servant healer are swept up in this quest and it changes their destiny what they

witness will change the world an innovative re telling of the journey of the wise men to bethlehem respectful of the ancient text and historically accurate star readers offers a logical rationale behind one of the world s most mesmerizing stories

a monthly journal on diseases of the ear nose throat

ancient plaster casting light on a forgotten sculptural material offers a fresh exploration of plaster in the sculpture of the ancient mediterranean and beyond challenging the traditional focus on marble and bronze this volume reveals the crucial role of plaster both in the sculptor s workshop and as a medium for finished sculpture combining academic insights with contemporary artists perspectives the book also delves into the controversial topic of life casting in antiquity and provides groundbreaking new interpretations of well known plaster objects such as those from the roman city of baiae near naples with chapters extending the chronological and geographical scope to early modern europe and contemporary art school contexts the book illuminates plaster s versatility and the continuity of its use across millennia by rehabilitating this material often overlooked or lost to the archaeological record the volume offers a transformative view of ancient sculpture appealing to both scholars and art enthusiasts alike

beginning with raft in 1991 stephen baxter s epic sequence of xeelee novels introduced readers to perhaps the most ambitious fictitious universe ever created beginning with the rise and fall of sub quantum civilisations in the first nano seconds after the big bang and ending with the heat death of the universe billions of years from now the series charts the story of mankind s epic war against the ancient and unknowable alien race the xeelee along the way it examines questions of physics the nature of reality the evolution of mankind and its possible future it looks not just at the morality of war but at the morality of survival and our place in the universe this is a landmark in sf and now for the first time all ten titles comprising the xeelee sequence are collected together in one volume includes raft timelike infinity flux ring coalescent exultant transcendent resplendent vacuum diagrams xeelee endurance

with this analysis of sol images steven e hijmans paints a new picture of the solar cult in ancient rome the paucity of literary evidence led hijmans to prioritize visual sources and he opens this study with a thorough discussion of the theoretical and methodological issues involved emphasizing the danger of facile equivalencies between visual and verbal meanings his primary focus is roman praxis manifest in for instance the strict patterning of sol imagery these patterns encode core concepts that sol imagery evoked when deployed and in those concepts we recognize the bedrock of rome s understandings of the sun and his cult case studies illustrate these concepts in action and the final chapter analyzes the historical context in which previous now discredited views on sol could arise this is volume ii of a two volume set
